

Fresh from Paddock to Plate

East Coast Village Providore
are proud to use
Pyengana Premium Meats

The rolling hills of the Pyengana Valley are just 20 minutes from the Providore. Farmers Ged and Tara Nicklason breed quality beef and lamb from the fertile and lush pastures of Pyengana. Our sumptuous pork is sourced just over the Weld Hill at Scottsdale and Tasmanian chicken. Our in house butcher Rick is famous for his flair in the art of sausage making and prides himself on his ever changing gourmet flavours and meats including wallaby, beef and chicken. And of course an abundance of local seafood.

Dedicated to our Wine & Spirits

Cellar door for local wines,
spirits, ciders and beers
crafted around Tasmania

East Coast Village Providore choose only to sell Tasmanian wines, and of course we specialise in cool climate East Coast wines from wineries such as Priory Ridge and Milton. Our wines are hand selected and compliment our craft beer selection, Tasmanian ciders and multi award winning whisky's from boutique Tasmanian distilleries. Alcoholic ginger beers round out our selection of Tasmanian beverages. Make sure you check for Dazza's wine drinkers' guide to good sipping!

Deli & Cheeses

Award winning cheeses
from the iconic
Pyengana Valley

Our showcase of cheeses includes Australia's best cheddar cheese in both 2013 and 2014 handcrafted by Pyengana Dairy Company as well as soft cheeses from Fowlers Cheese. Try Real Milk straight from the dairy, or what about some Tassie ham sliced from the bone in our deli. Our freshly made salads and fine display of local and Tasmanian cold meats. All our smallgoods are sliced while you wait to ensure you the freshest produce possible. Local, fresh fruit and vegetables in season.
